

## See the Best of St. Croix!

Our best tropical ride is not complete without a ride along the beach. We have a picture stop to preserve the memory of the beautiful white sandy shore, the blues of the sea, and the picturesque coconut trees rising tall in the background. We offer the best in a beautiful scenic tour of St. Croix. Get close to nature and explore the beauty of St. Croix—an experience not to be missed. See the rainforest, historic slave village ruins, and pastoral landscapes with aged Raintrees, all in one ride.

**CAMERAS...BRING THEM!!! SADDLE BAGS ARE PROVIDED**  
Bottled water is also available for \$1 each.

*Capture your memory with a photograph.*

### Travel Tips

Use the map in the tourist guide "St. Croix This Week" or "St. Croix Explorer" to find us.

Located 1 ½ miles North of Frederiksted, off Route 63, turn right on Route 58 (Creque Dam Rainforest Road). We are the 3rd driveway on left.

At Sprat Hall Plantation, a 300-year old historic Great House, Jill's family offers a tour, by appointment. Paul and Jill's exotic fruit orchard is also available to tour and sample fruits in season.

Approximately a 1.5-hour tour. Rides are available for families with small children or older folks. With enough notice and by special request, rides can sometimes be arranged with no little children for an added chance to gallop.

*Sample fruit from our exotic orchard. Mangos in summer.*

*Jill will tow an insecure child's horse if need be.*

## HORSEBACK RIDING NATURE TOUR
